DL-2 Roller Banner

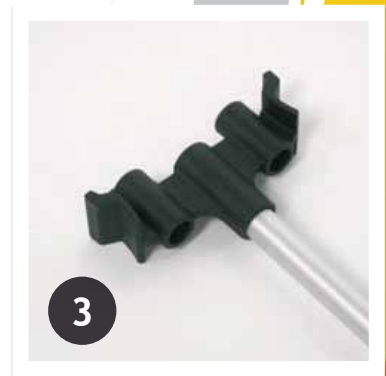

2150mm × 850mm

Remove your roll up and bungee pole from the carry bag.

Take the poles and allow all three sections to slide together.

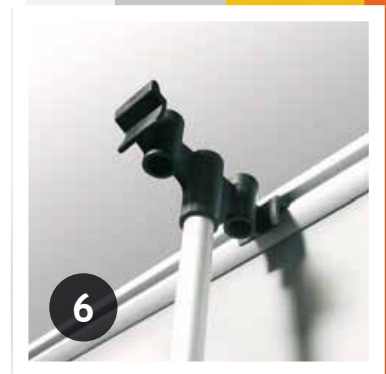

Push the black plastic bracket onto the end of the pole.

Insert the pole into the cassette, ensuring that it is fully located.

Pull the first top rail straight upwards ensuring not to damage the graphic.

Hook the top rail onto the black plastic bracket. Repeat stage 5 and 6 for the second graphic.
